

Job Title	Factory Operative
Location	Honiton
Job Type	Full Time
Description: TWM Technology is a leader in the design and manufacture of high-end hermetic metal packages and components. The site is based in Honiton, Devon and is part of The EuroTech Group plc, a group specialising in electronic products including printed circuit boards and welding equipment. This is a great opportunity to be part of a growing local company. We have a vacancy for a general factory operative for a wide range of varied general tasks – no experience necessary and there is a good chance of further advancement for the right candidate. The right person will be happy working in a small team, possess good interpersonal skills, willing to learn, flexible and safety conscious. Full training will be given.
